I want a hippopotamus for Christmas I don't think Santa Claus will mind, do you? He won't have to use our dirty chimney flue
Just bring him through the front door That's the easy thing to do.

Mom says the hippo would eat me up, but then Teacher says a hippo is a vegetarian There's lots of room for him in our two-car
garage I'd feed him there and wash him there And give him his massage.

see a hippo hero standing there.. I want a hippopotamus for Christmas Only a hippopotamus will do No crocodiles or
rhinoceroses I only like hippopotamuses And hippopotamuses like me too. [download game psx arifin](#)
