The screenshot shows the Driver Reviver software interface. At the top, there is a navigation bar with icons for Home, PC Scan, Backup, and Options. The main title is "Driver Reviver by ReviverSoft". Below this is a tabbed menu with "License", "General Settings" (selected), "Driver Exclusion", and "Language Settings". The "General Settings" window contains two sections: "General Settings" with checkboxes for "Start scan automatically when Driver Reviver is launched" (unchecked) and "Run on StartUp" (checked); and "Select Location" with two text input fields. The first field is labeled "Select location to save downloaded drivers" and contains the path "C:\Users\Jacob\AppData\Roaming\Reviversoft\DRST\Driver Reviver\Download\". The second field is labeled "Select location to save backups copies of original drivers" and contains the path "C:\Users\Jacob\AppData\Roaming\Reviversoft\DRST\Driver Reviver\Backup\". At the bottom right of the window are "Default" and "Apply" buttons.
